DRESS CODES

A dress code will teach students discipline, helping with overall focus and energy. By “dressing the part” dancers will feel like dancers. Dress codes can also create unity among the dancers instead of causing a few dancers to stand out, much like a school uniform policy. Safety is another reason as jeans, belts, or other improper clothing may cause injury to the dancer. Dress codes go a long way in minimizing distractions and help give classes a unified look.

- **Mommy & Me:** Comfortable clothing. Bare feet, socks or ballet shoes. Dancewear may also be worn.
 - **Gym/Tumbling :** Any color leotard and tights. Tights should be footless.
- **Hip Hop:** T-shirts, shorts, sweats or dance pants. **NO JEANS or street clothes.** Cargo pants and khaki pants are not acceptable. Sneakers are required.
- **Young Dancers ages 2-6:** Pink leotard and pink tights. Ballet + Tap shoes required. A ballet skirt is fine.
 - **Tap:** Solid colored leotard and tights or dance pants. Tap shoes required.
- **Ballet:** Solid colored leotard and pink tights. A ballet skirt, leg warmers and other teacher-approved cover-ups allowed. Ballet shoes for ballet required. Dance Paws for Lyrical required.
 - **Pointe-** same attire as ballet and pointe shoes required.
- **Jazz:** Solid colored leotard and dance pants/capris. Teacher-approved cover-ups. Jazz shoes, ballet shoes or bare feet acceptable.
- **Contemporary/Lyrical:** Solid colored leotard and dance pants/capris. Teacher-approved cover-ups. Bare feet.
 - **Hawaiian:** comfortable clothing, bare feet

For all classes, hair must be pulled back neatly in a bun or a ponytail.

No jewelry should be worn at anytime. This includes rings, earrings, bracelets and necklaces. Small stud earrings are acceptable. Jewelry is an accident waiting to happen. Please advise your child to leave jewelry at home as they will be asked to remove it before class.

COSTUMES

Costume fees will be collected **NO LATER THAN December 1st. All tuition must be paid before receiving costumes.**

CLASS ATTENDANCE

Low Attendance. If there is only one student present for a particular class, the student will receive a partial private lesson for that day depending on the age of the student. Please note - if the student does not want to take the class by themselves, the class will be canceled and will not be rescheduled and the student may take a make-

up class. A partial class will be half of the regular length of class. *We reserve the right to cancel any class during the session (i.e., remove it from the schedule) if the class has no more than eight students registered.*

Tardiness. Students are expected to arrive at the studio with sufficient time to prepare for class. Hour classes- **If a student is 15 minutes late to class, it is the teacher's decision whether or not they can still participate.** Students should go to the barre and warm-up on their own for a few minutes before participating in the class. This is a safety precaution; a student entering into a class without being properly warmed up is at risk for injury [hour classes].

Absences. If a student misses four classes in a row without notifying the studio, the student will not be allowed back in the class without first receiving permission.

Make-up Classes. If a student misses class they can choose to make it up in another class appropriate to their age and level. It does not have to be the same type of class; this is an opportunity for students to try a different style of dance.

Teacher Absences. As some of our instructors are still professional dancers, we support their careers and performance opportunities. If an instructor will be absent, we will provide an equally experienced and qualified substitute.

Inclement Weather. WHERE CAN I HEAR or READ ABOUT CANCELLATIONS? Facebook, Calling the studio 30 minutes prior to the start of class or visit our Web site. We also try to send out an e-mail when possible. We DO NOT announce on the radio or television. In the event the studio closes due to inclement weather make-up times will be given. No refunds will be given.

Drop Out Policy

We must have written notice at least 2 weeks prior to the end of the intended drop out month.

Drop Class Form- Parents must notify the front desk if the student is dropping from a class.

CLASSROOM BEHAVIOR AND DISCIPLINE

We encourage a feeling of mutual respect between our students and instructors, as well as between our students and each other. A good working relationship based on mutual respect is necessary for the well-being and progress of the student. Courtesy and good manners are expected and encouraged. During class time, students are expected to pay attention to the instructor and maintain suitable composure for their age. A student who fails to do so will be dealt with in a manner consistent with his or her age and maturity. For the little ones, we use distraction as a way to deter some behaviors. Older students may be sent out of the room to sit in the front office. For a student who continually disrupts class, parental involvement may be called upon. We cannot have unruly children hampering the learning process of others who are there to learn and who are trying to do so.

PHOTO RELEASE

The studio often takes pictures of the students in class and performance that are used in studio displays, promotional materials and social media online. If you **do not** want your child's picture used for these purposes, please let the front desk know when you register.
